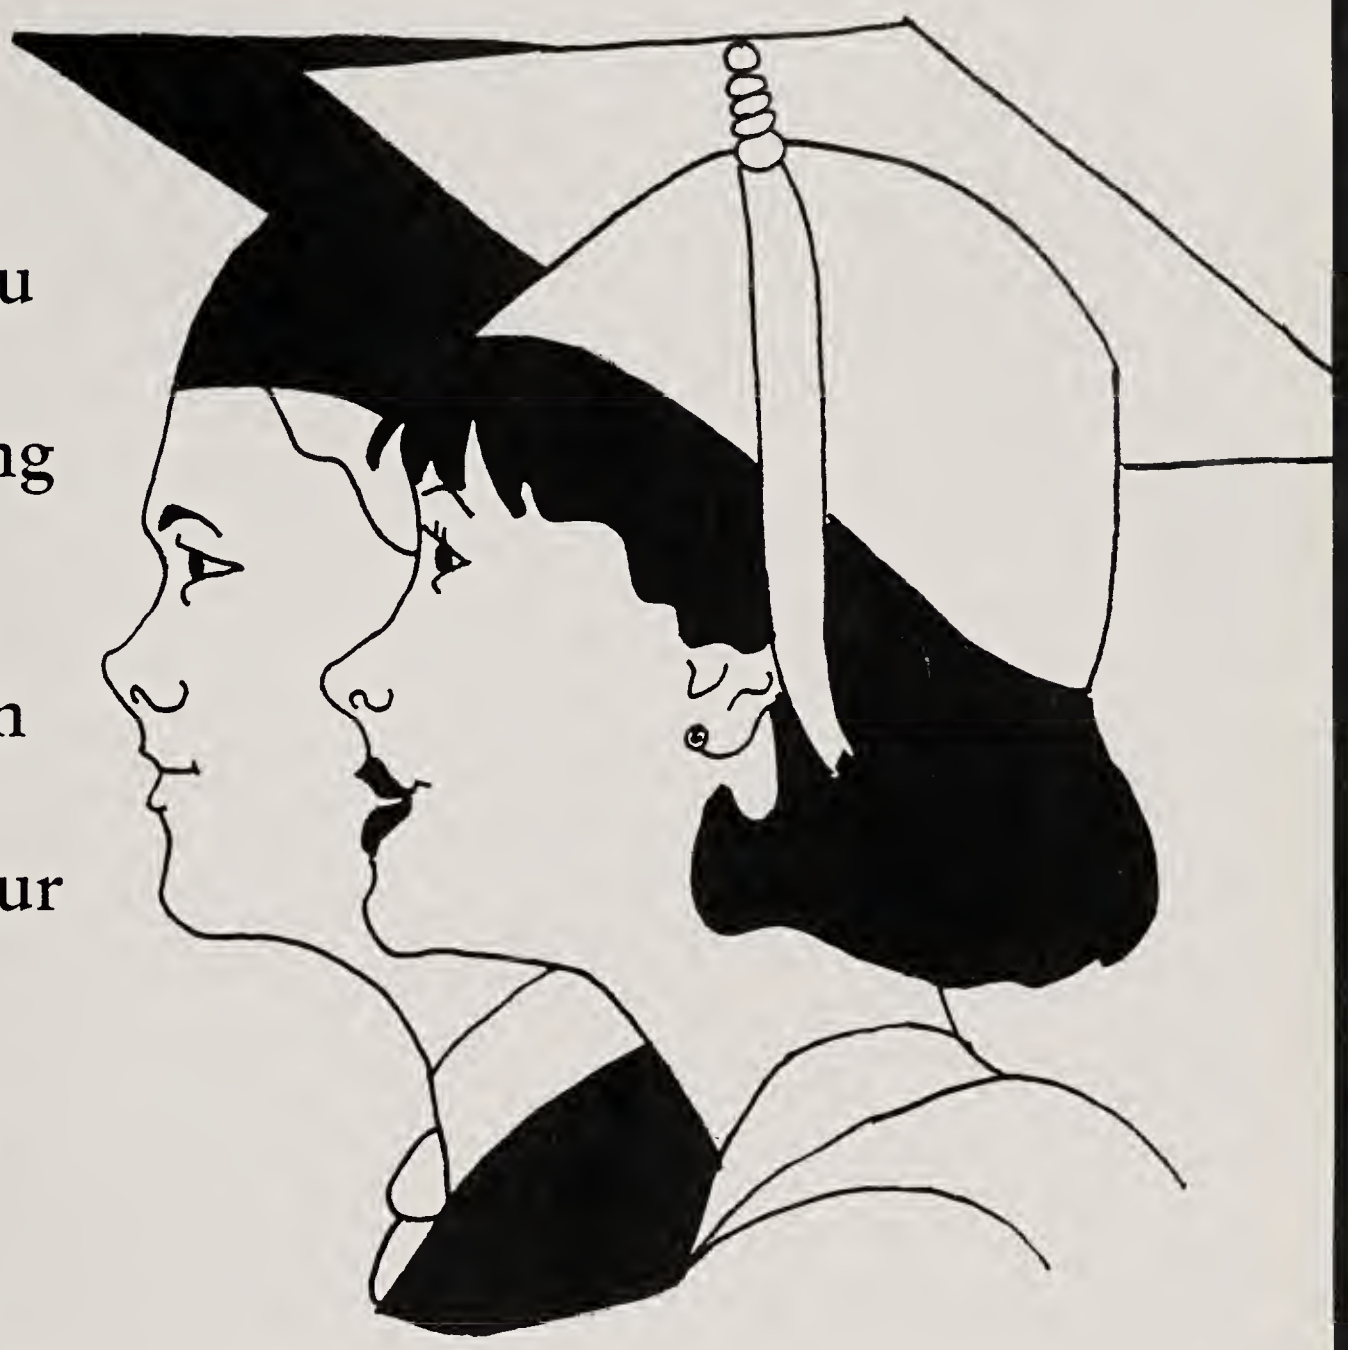
THE PEAK

Medfield High



"When you're down
and troubled and you
need a helping hand
And nothing, nothing
is going right
Close your eyes and
think of me and soon
I will be there to
brighten up even your
darkest nights
You just call out my
name and you know
wherever I am
I'll come running to
see you again
Winter, Spring,
Summer or Fall
all you have to do is
call and I'll be there
you've got a friend"

THIS IS YOUR TIME TO SHINE

Seniors Look back

Graduation, college, the ''Real World''. These are all feelings Medfield High School seniors are looking forward to. Throughout the year everyone talked about college, where they should go, how many essays they had to write, and who got accepted where. It was also the last time for most in sports, plays, musicals, dances, and classes. We are saddened to realize that it was our last game or the last time putting on the pads, while others are sad because it was our last production or last dance. Still many are even glad that we will never have to go through it again, the practices, the classes, etc.

College ahead both excites and scares us. We realize that it is all coming to an end. We look forward to the new experiences and traditions with mixed emotions. Change is difficult, and we know that we are on the edge of change. Some are hesitant, while others are confident. This is a time when our life is changing and we have less control. Though we decided where to apply based on our research and personal preferences; the acceptance is not our decision. Because many do not know where we will be in the future, we feel insecure about where our lives will lead us; we can not predict our future.

Through our accomplishments in social events, academic projects, and athletic activities, we can be sure we have an edge on others in life though the teachings that MHS has provided for us. We have been given great opportunities, experiences, and education. Now it is up to us, as seniors, to turn around and use what we have learned to progress further in this world. Through family, friends, and our environment, we see how difficult it will be; because of MHS we know we have the ability to survive.

We are proud to have grown up and graduated here at MHS. Good Luck and Farewell to all the Seniors as we go our separate ways.

— Ken Bruns

Numbed by these drowning days that pass: Dying as these drowning days go on.
I'm scared — I'm frightened for my life . . . Seems I can't even speak anymore,
A fatal error to open up my mind — Bound my lips and cover up my eyes.
The clock ticks and my fear turns more afraid,
Not even real because my tears just blind the day.
Starving — Empty — Drowning — Brainwashed — Dead
Painful thoughts just figments in my head?
"Em La Impune En La Casete"
I LOVE YOU LORI

All I can say about high school is that it was slightly fun specially this year. I would like to thank people including the man you know as the incomparable, incredible, one and only **MIKE WOO!!** Also that crazy person who is known for his wackiness "Quabes" If you don't know who that is you must look in all the senior classes' bios until you find him. I must also recognize The Posse, and you who need to know about that silly group already know. If you don't know what that is you may now go and cry about it. That is all I have to say except that I had fun in drama for four years and you should join now! Bye.

SENIORS

Warriors

Warrior Football

The 100th anniversary of Medfield High School Football made the season special for both the school and the team for being a part of the long history of football in Medfield. Overall it was a disappointing season for the 100th year of Warrior Football. The team ended up with a record of 1-9-1 which had many points with few high points. Highlights include the strong dedication by the seniors, an opening day victory over Moses Brown, and having an opportunity to play Nashoba High School, the Super Bowl Champions. Another high point was the team coming together on Thanksgiving day to come back to tie to send the game into the first over time in Thanksgiving day history after being down a touchdown the entire game. Even though the team did not do as well as expected, there were quite a few stars on the field which included the MVP of the team and league All-Star, Anthony Priante; key players on defense, Andy Clark, Jason Haigh, and Brian Gavighan; and Tom Roache on offense. The seniors gained respect and appreciation for football and hard work through four years of Medfield High School Football. Congratulations to the seniors for the many years of hard work and dedication to Medfield Football.

BOYS SOCCER

Boy's Soccer

The Medfield High School Boy's Soccer team finished off their '97 season with a record of 6 wins and 10 losses. Even though it wasn't the greatest season for Medfield men's soccer, the team had a lot of talent. Lead by senior captain Lewis Chang and junior assistant captain Matt Monahan, the Warriors battled hard for a spot in the tournament. They were backed by a strong defense and keeper Dan Tosches kept the Warriors in close contention for mostly all the games. Also, Seniors Wil McNamara and Keith Hapenney were forces on the field. The team contained a wide variety of grades this year having only four Seniors. Juniors Brian Goltz, Mark Lennon, Adam Coyle and Joe Cope added strength to the team, as did Sophomores Mike Sabra, Dan Goltz and Blake Pantuck, and even Freshman Jason Bushong. The Warriors surely are looking forward to next year's season with 13 returning Varsity players.

BOYS CROSS COUNTRY HAS AN EXCELLENT SEASON

The Cross Country Warriors had a successful season; they tied for second in the competitive Tri-Valley league. The team had an overall record of 5-2. This team was well prepared for the grueling season by coach Mike Kraemer. He was happy with the teams outstanding effort all season.

The team also had some individual achievements as well. Robert Polagye was a league All-star; he finished 27th at the division four Eastern Massachusetts class meet. Mike Short was a TVL All-star honorable mention. Co-captains Tim Standring and Mike Curran also placed well in all of the TVL meets.

Cross Country

Girls Cross country had an excellent season this year with their biggest team ever. Captains Emily Harrison and Becky Johnson led the team to end the season with a 4-1 win. Overall, the team placed second at the TVL meet with 68 points and tenth at the Class D meet with 310 points. Emily Harrison, Kim Zaia and Lindsey Bauer with new comers Danielle Vollmuth, Amanda Surette, Kate Clausen and Heather Trumbour qualified for the class meet. Lindsey Bauer and Kim Zaia made TVL All-Stars. Kim Zaia also qualified for the all state meet by placing eighth at the TVL All-Stars meet with a time of 20:42min.

Mr. Kramer, both boys and girls cross country coach, is happy about the team saying they are "heading in the right direction." Although in the past few years they have not been doing as well as before, the team is coming back up to the top again. Mr. Kramer is very excited for next year.

The Cinderella Story
Medfield Field Hockey
Win or lose. This season will never end.
In our hearts are the many memories that we share with our friends.
The seniors will never, ever leave our hearts and their spirit will never descend.
Yes, next year will be another year but we will play with them in mind.
We will win because of the spirit they left behind.
Medfield never had won a Division 2 South Sectional Championship until this season.
As we move on in life we will never forget the reason.
Many teams did not agree that we should have been that far into tournament, but we proved them wrong.
Our work as a team was unified and strong.
When we play next year, in our hearts we will hit with them, run with them and most of all, be the State Champions for them.

The girls' volleyball team had an exceptional season. Moving all the way to the state championship of the MIAA tournament. This team played in the Division 2 State Final falling to Mahar. The entire season was filled with excitement and enthusiasm. They were the tri-valley champions, and then climbed up to being the central sectional champions, for the first time in Medfield High School girls' Volleyball history. Team captain, Liz Palmeiri offered strong leadership, as well as being a strong outside hitter. Shannon Pao, co-captain provided a solid backbone for the team as setter. Other performances worth noting came from Hillary Dun, Quyen Le, Emilie Rapa, and Jaime Carroll. Congratulations girls! This was a year to remember!!

Girls

The girls soccer team had an excellent season, with a final record of 9-6-2. They made their first tournament appearance in the 90's. All of the players were incredibly happy with their unexpected achievements. Everybody contributed some way to help the team obtain their victories.

The team also had some individual achievements. Kristin Lang and Katie Robinson were both first team all-stars. Juniors Lauren Daly and Jeane Kearney were both named second team all-stars. The team, full of great players, helped coach Kearney in his first season as the varsity coach.

The girls won the McCormick cup for the first time in a number of years. This was just one of the many highlights. Their tournament appearance was short, but they were just content to be there. They plan on being great again next season.

The young Medfield High Hockey Team had a rough 1997-98 season. They started the season playing some of the toughest division one and three teams in the state. The team was also plagued with three of their upperclassmen players quitting early in the season. Medfield got off on the wrong foot from the start, losing eight games except for the first which was against Wellesley. The team made a run in the middle of the season winning four in a row against other Tri-Valley League teams. They finished the season with a 7-14-1 record, which was not at all a reflection of how the team played through the year.
